I AM FREE

Don't grieve for me for now I am free

I followed the path God laid for me.

I took His hand when I heard Him call

I turned my back and left it all.

I could not stay another day

To laugh, to love, to work or play.

Work left undone must stay that way.

I found God's peace at the close of day.

If my parting has left a void

Please fill it with remembered joy.

A friendship shared, a laugh, a kiss

All things that will be missed.

Do not be burdened with grief and sorrow,

I wish you the sunshine of tomorrow.

My life's been full, I savored much

Good friends, good times, a loved one's touch.

Perhaps my time seemed all too brief,

Don't be weighed down with undue grief.

Lift up your heart and rejoice with me

God wanted me now ---- He set me free.

Let us Pray

Lord Jesus, calm our troubled hearts, and lead us to praise you for having brought us to faith. Strengthen us with your Word, and lead us through this earthly life until at last we are united with you and all the saints in glory everlasting. Amen
