*Always look forward to the SDASCOE Convention and this year is looking great. It is always fun to go back to Huron. We went to so many meetings there. I hope a lot of you will attend. I am going to go south for just one month this year. So far our winter up here has been good so in no hurry to head out. This past week we lost Doris Schmidt that worked with me in the Clay County office. She was always so pleasant to work with. I sure will miss her. She was a member of SDASCE and RASCOE. See you soon. Lanney*

*Can't believe how busy I am since Retirement. We had a nice long trip to the Yellowstone area in August then tons of company during the hunting seasons. My mother-in-law celebrated her 85th Birthday in November then Thanksgiving and Christmas. I have a month to relax then it's time for our annual Super Bowl party then calving and finally. SPRINGTIME! Never a dull moment. But, it's all fun stuff and not too stressful. . Thank you NASCOE for providing such great benefits so we can have all these good times without stressing over finances! See you in April.*

### **Secretary-Treasurer and Membership**

January is here with the drab weather and the dreary house with no decorations, the holidays just went too fast. We have reaches 192 members for FY 15-16, down from 210 in FY 14-15. Thank you to all our dues paying members, especially want to thank NASCOE on the 1<sup>st</sup> of every month for the wonderful life we get to enjoy! Hope everyone made it through the struggle if you wanted to change from a family to self plus one health insurance policy. The premium savings weren't a large as I had hoped.

Be sure to mark our Annual Meeting date April 29-30 on your calendar and the luncheon dates and places. The monthly lunches begin again in March.

I didn't realize that it had been so long since the last newsletter. I hope I am including 'news' you want to know in the newsletter. If I miss something, please let me know. Please share pictures, stories or thoughts for the next issue.

**Thanks RASCOE for drawing my name as a raffle winner. I'd pay RASCOE dues even without your assistance. *Peggy Groen***

**Most of the trainees that I had as a training county are now either retiring or retired. *Paul Bishop***

***7-7-15 Another year has already started, where does the time go? Really appreciate your sending the newsletters. No computer here. Still want to make a dinner meeting sometime. Have coffee with Joy Wookey, Marivone Bastian, Louella Logan and Angie Lorenz when***
