PRESIDENT'S REPORT – Lanney Nelson

I am looking forward to our RASCOE and SDASCOE CONVENTION that will soon be here. It will be an honor for me to conduct the meeting for the RASCOE people as I am the President. It is my intention to turn this job over to Bonnie Nickolson our very capable Vice President. I know she will do a great job. Being the President of this organization has been easy for me as Lynda Steichen seems to do all the work. We need new people to step up now and get involved in this fine organization. I am still in the Rio Grande Valley of Texas for the Winter months. Guess this will be our last year as we have sold our house down here and need to be out by the end of March. Have been spending the Winters here for 16 years and I guess that is enough. It has been great and you people still working should look forward to a fine retirement and maybe go South in the Winters too. See you soon at the Convention in Deadwood April 24.

Greetings from your VP Bonnie Nickelson

It seems like this time of year goes by so slowly. We're not able to be snowbirds (like President Lanney) since our cattle think they need to be fed every day. Calving will start soon and that will certainly liven things up a bit. I am looking forward to nicer weather, the SDASCOE convention, and the RASCOE luncheons. It's always so much fun to see my FSA family.

I appreciated the honor of being your Vice President and I would be willing to serve again, if you'll have me. See you in Deadwood.

Your bossy Secretary-Treasurer Lynda Steichen says

Will this winter never end? Hope you plan to attend the RASCOE Annual Meeting on Friday, April 24th. New this year, our meeting will begin and end on Friday, no Saturday activities planned.

I do not wish to continue as your Secretary-Treasurer. Please consider accepting this position to serve the greatest people ever...**RASCOE of SD**. Excellent at home job. All work is done at home, except for trips to the bank for dues deposits and to the post office at newsletter time. Only travel is to the annual meeting. Attending the monthly luncheon is not required of the Secretary-Treasurer.

Notes from members:

*Thank you for everything you do....I wish to say "Thank you" to all the ASCS/FSA Family members that sent me an 80th birthday card. I certainly appreciated it and enjoyed your kind comments. Your commitment is admirable. I am doing well for my age and am still quite mobile considering that I have had several joint replacements. God Bless! **Paul Bishop***
