

The 2017 – 2018 SDASCOE / NASCOE dues are calculated by taking your grade at a step 1 using the pay scale in affect July 1st, **2009** times .0023. The dues year runs from July 1st to June 30th each year. You can either send a check payable to SDASCOE, **or** if you wish, you can participate in the Payroll Deduction option.

To get started with [payroll deduction](#) – all you have to do is fill out a FSA-444 form and send it to the Admin Division at the STO. **NOTE:** Payroll deduction is the preferred way as there is not as much mailing around of the dues money to get them to the Treasure this way --- but totally up to everyone’s own preference. 😊

To get started by [check](#) – all you have to do is write a check to SDASCOE for the full dues year amount as listed below and mail it to me at the office or my home address, which is:
