Scholarship & Awards Report

Courtney Hansen- Chair

I have attached the 2nd quarter Scholarship Fund Balance Report from Jennifer. We currently have a balance of \$4,073.81 in this fund. We have paid out our scholarship winners from last year.

2020 Convention/All West Rally

- Fundraising Ideas for Scholarship Fund
 - Silent Auction- visit with NASCOE/Marla about host state getting certain percentage of funds.... More to come on this...
 - Wine Pull was a big hit at National Convention... something we could do again for easy set up and adding to funds...
 - 2021 and forward will be hardest on fundraising for scholarship funds as attendance of state convention will more than likely decrease as it won't be tied to a rally or national convention...
 - How can we focus on increase of state attendance to help increase fundraising for scholarship fund?

2020 Scholarship and DSA Deadline is January 15, 2020.

- Several emails have been sent out state-wide for reminders.
- Kyra will forward me the nominees and applicants after deadline.
- Unless we are notified via applicants or those nominating employees for DSA's we don't get notified until after the deadline is past. Hard to know if all areas in DSA's have nominations or not.
