

**SDASCOE**  
**Vote on Caucus Room at the**  
**2022 National Convention**  
**June 26, 2022**

Karen LaFurge, Acting SDASCOE President sent an email to the directors: Larissa Neugebauer, Kathy Torres, Sherri Hanson, Paula Gregg, Courtney Hansen and Carrie Hanson and CC'ed Joel Foster on June 26, 2022.

For the National Convention in Georgia this year, the idea was brought up to have a Caucus Room for the SDASCOE members and retirees to meet during the convention. It appears that we will have a good showing this year at National convention with around 20 members/guests. This would include the RASCOE members as well. It would be for three nights Sunday, Monday and Tuesday. The price for the room for three nights should stay under \$400. We need to have a motion to approve this idea and a vote. The first person to respond with a yes would be the people that made motion and the second person to respond with a yes would second the motion. Larissa made the motion as per the information in the email and Paula seconded the motion.

We had five in favor and none opposed. Vote passed. Joel Foster will secure the room at the National Convention for the Caucus Room.

Respectfully submitted by:

Karen LaFurge, Secretary
