

## SDASCOE BENEFITS

### February, 2015

I've printed it in every Benefits report that I've ever printed, and I'll print it again.....

**NASCOE/SDASCOE is about our jobs and our benefits.** The benefits are numerous! There really is something that each of us can take advantage of. It all starts with membership.....

#### Financial Services:

**Dillard Financial Solutions, Inc.** is our NASCOE benefits provider. For insurance or financial and retirement planning, they can be reached at **800-692-7643**. There is a link to Dillard Financial Solutions, Inc. on the NASCOE website.

**JM Marketing** will continue to service ALL existing policies and your FSA-444 will remain in place, unless canceled by the policy holder. JM Marketing can sell and service ALL NASCOE members. This agreement is on a yearly rollover basis. The JM Team will be happy to discuss any options you are interested in. You can contact them at **800-330-6223**.

#### Cell Phone discounts:

Most of the cell phone providers in South Dakota offer discounts of some sort to employees. This must be done through your provider. Check out the information on the Members Only page of the NASCOE Benefits site.

#### Gas Station Discounts and Rewards Programs:

The NASCOE Members Only page has a **list of gas stations** that offer discounts and/or reward programs for NASCOE members. Discounts and rewards are subject to change, so please go the company's website for most current information.

#### Computer Discounts:

I have had a few inquiries regarding a discount offered by HP or Dell. NASCOE no longer has a discount for Dell or HP. However, both companies offer federal employee discounts. You can find information regarding discounts offered by visiting their respective websites.

In order to take advantage of most of the NASCOE/SDASCOE benefits, you must sign up for the "**Members Only**" Registration through the **NASCOE website**. Hopefully, most employees have done so by now, but if you need instructions one more time: Go to the Benefits page, and click on the Members Only Registration. Use your personal/home email, not your work email. This is the only way you'll receive some of the benefits such as the **Sam's Club discount and the Cell Phone discounts**. I cannot print the Sam's Club certificate or forward it to you. You must register for the Members Only page yourself. We can only receive the gift card when using the certificate for either joining or renewing your membership. The certificate expires January 31, 2015.

We are here to serve you, but we need your input. If you have any questions, comments, or suggestions about current or possible benefits, feel free to contact me!

**Membership has its Benefits!!**
