

# Publicity –Web Master Report

---

SDASCOE State Convention  
Deadwood, SD  
April 24-25, 2015

The website has been switched over to the new webhosting site (Weebly) and I have gotten most of the old site's information moved to the new site. I do not have past reports moved over so if anyone needs one just let me know. I purchased an external hard drive as discussed at the last meeting and have everything stored on it from the old website.

A link has been posted for the SDASCOE website on share point since our last meeting and I have started sending out emails to all FSA employees in the state through work email as we now have permission to do that. I will continue to send out emails to anyone who has requested email updates.

## **Reminders:**

Please remember to submit the following information for our website:

- Reports from each meeting from all Board Members and Chairs
- Articles and/or pictures from current events
- Reports from Convention, Rally, and National Convention (delegates reports)
- County office news
- News about family (yours and FSA)

This is where we will get our history from to create and save all that SDASCOE does.

Always appreciate your ideas.

Respectfully submitted by:
