

Ways and Means Committee

February 2015

Hello!

Thank you to Stan Lamb for asking me to continue as chairperson of this committee. I am happy to do my part to help SDASCOE continue to advocate for employee benefits.

Raffle update:

In mid March, ticket packets will be mailed to all counties. Tickets will be sold for \$5. Plans for raffle items have not been finalized, but I am considering staying with the Kindle Fire and \$100 cash prize. I would like to find a raffle item representative of Deadwood. If anyone has an idea, I would love to hear it!

Unfortunately, I will not be able to attend SDASCOE convention in Deadwood this year, due to my son's Senior Prom. At this time, none of the committee members have been able to commit to handling the raffle at convention. I will prepare and mail the tickets, and secure prizes, but am in need of someone to sell tickets and conduct the raffle in Deadwood. Please let me know if you are able to help out the Ways and Means Committee in Deadwood.

Thanks so much for your support!

Respectfully,

Terri Roth

SDASCOE Ways and Means Chairman
